## ABOUT ME

I am a 25-year-old cisgender brown woman from Brazil.

As an accountant, I am pursuing an M.Sc in Controllershship and Accounting at the University of São Paulo (FEA-USP). I am a member of the technical coordination and academic initiatives of the FEA Center for Research on Gender, Race, and Sexuality (Generas). I am also a member of the communications committee of the Latin American Network for Qualitative Research and Critical Accounting (QRCA).

As a researcher, I am dedicated to understanding and improving ways of reporting, considering, and encompassing social and diversity aspects in financial statements and corporate reports. I appreciate art in all its forms and I have ventured into graphic design.
